Lodging & Hunting

Our lodge overlooks picturesque Mossy Lake in Morgan City, Miss. Guests are free to fish in private Mossy Lake while taking a break from the duck blind or other hunting activities.

Hunters are encouraged to bring their own retrievers. Dogs will be lodged in our clean, well-managed kennels during their stay.

Our guides are here to provide you with top quality hunting. We like to limit our duck hunting parties to 4 hunters per guide for the safety and comfort of all of our guests. We will only make exceptions if requested ahead of time.

Space is limited. Reservations are taken on a first-come, first-served basis, and a 50% deposit is required within 10 days of booking the hunt to guarantee the reservations. Full refund of deposit is only guaranteed to those who cancel their reservation 60 days prior to the date of the hunt.

Mossy Island Outfitters' owner and guides have enjoyed hunting the Delta for many years and are pleased to offer the Delta hunting experience to other hunters from around the country.

Mossy Island Outfitters's property has thousands of acres of flooded timber, rice, corn, and bean fields along with small brakes. We offer an excellent habitat for all our game birds, and we have large amounts of land set aside as feeding and resting areas for waterfowl. Our duck hunts are conducted from cane blinds, platform blinds, standing timber, and duck coffins.
